C2 Value
ADDED

After a cold winter, it is important to have your bulls semen tested and evaluated prior to breeding season. It's an easy way to set your program up for success, and we want nothing more than the very best for our valued customers. ***So, why not let us pick up the tab?***

C2 CHAROLAIS WILL PAY FOR YOU TO HAVE THIS DONE!

Take any previously purchased C2 bull and get him checked by a licensed veterinarian. Grab a copy of the test. The test must be dated, have completed results, the veterinarian's signature and bull tattoo. Show us the test on or before March 28, 2024, then give us the invoice! We want to ensure that all your breeding needs are taken care of. Finding you a suitable replacement if needed, when the selection is at its best. ***We value your purchase, now and into the future.***

FROM THE DESK AT T BAR C

Welcome to the C2 Charolais Bull Sale on March 28, 2024, at the farm, La Riviere, Manitoba. In this their 6th annual event Jeff and Jackie offer 40 opportunities to add pounds and value to your calf crop. These folks are dedicated to agriculture and community and operate a very efficient farming operation with a highly predictable herd of Charolais breeding stock. Their goal each year is to provide high quality sires for purebred breeders and commercial producers alike... as you read through this catalogue you will see that they have had another successful season producing these bulls and readying them for your breeding pastures.

The lineup of bulls is powerful and exciting. The sons of "Fearless" are muscled and soggy, carry an abundance of hair and optimal calving values.... The sons of "Jensen" are power bulls bred and designed to add lbs. at weaning.... The "Innovation Bull" has sons that will fit in both pastures while the "Resurrection" and "Ledger" bulls are for the most part calving ease sires. The diversity of the offering will allow you to select the bull that will fit your breeding needs.

Feel free to stop by the farm any time prior to the sale and preview the bulls, see their sires and mothers or give Jeff a call to discuss the lineup and those bulls that will fit your breeding requirements. In this exciting cattle market, Charolais and Char-cross calves have led the marketplace starting all the pre-sorts and it looks like the market will continue to creep upward. It will be worth your day at C2, selecting your breeding equipment.

Plan to be with us on March 28th in person, on the phone or online, and do not hesitate to give any of us at T Bar a call as we can assist you with your purchases in a professional and confidential manner.

TERMS AND CONDITIONS...

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

Announcements made from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Charolais Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

PHONE, MAIL & WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

PHOTOS:

By attending the sale, you are granting permission for your picture to be used for promotional and advertising purposes relating to C2 Charolais sales.

SEMEN COLLECTION:

C2 reserves the right to collect semen from any bull sold, at the convenience of the buyer and at the expense of C2 Charolais, at any time throughout the life of the animal.
